

The HQ HighLight™

The HQ HighLight provides the brightest LED lighting for your quilting studio. With easy assembly, a simple on/off switch, and adjustable height, the HQ HighLight is the ultimate lighting solution for home and professional settings.

HQ HighLight Features

- Energy-efficient, low-wattage (low-heat) LED lights
 - 50,000 hour life
 - 1800 lumens per two-foot section
 - Simple on/off switch
 - Adjustable shades direct light exactly where it's needed
- Adjustable height (68 inches to 80 inches)
- Easy assembly
- High-quality steel provides a solid, free-standing foundation
- Zinc-plated hardware resists corrosion
- Perfect for your studio, but also ideal for workshops, garages, and craft rooms

Pick the One that Fits Your Studio

Designed with longarm studios in mind, the HQ HighLight systems are engineered to clear side arms and hand wheels.
